## New Carpets and Rugs.

The carpenters have now finished the work of enlarging our carpet room. Our stocks of new Carpets and Rugs are so large that we needed much additional space to handle them. We believe that we now have a Carpet Department that would do credit to any metropolitan store. From the cheapest Hemp Carpet at 84c. to the best of Axminster at 90c. there is not a roll but will prove of exceptional value for the price asked. We are showing a larger and better assortment of Ingrains and Brussels than ever before. You'll find here the very choicest of patterns to select from, and you have the further advantage of seeing just how the carpet is going to look on your floor. We have also an immense stock of Smyrna and Moquette Rugs and magnificent Art Squares. We know that if you will let us supply your carpet wants we will save you money.

## Some Rare Shirt Waist Bargains.

We carried over from last season about ten dozen Shirt Waists. Rather than mix them with the new stock we have placed them on a separate counter and marked prices less than cost. The 49c. and 59c. kind are now 29c. Last year's 75c. price has been marked down to 39c. Waists that were lowly priced at \$1 and \$1.25 are now 59c. There are also a few that were \$2 now 99c. These Waists will sell quickly. Come before the best are picked over.

## A SPRING COMPLAINT.

His face was drawn into a frown  
As down the street he strode;  
His furtive glances, quickly cast,  
Scanned both sides of the road.  
And as he went, his frown increased,  
He seemed oppressed by care;  
His manner plainly showed to me  
He was in deep despair.

He reached his office, sat him down,  
And lost himself in thought;  
Once in a while he muttered low,  
"I don't think that we ought."  
He took his morning paper,  
Turned to the liner page;  
But what he read there did not suit—  
He dropped it in a rage.

All day long he never smiled,  
He growled at everything;  
I know the reason when he said:  
"It is so every spring."  
She'll do it, too, no matter if  
I strongly disapprove!  
As soon as springtime comes around  
My wife is bound to move."

The First Baptist Church has extended a unanimous call to Rev. J. W. Porter to continue as Pastor another year.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & Co., Toledo, O.

## The Grand Carnival.

The people of Mayville will be privileged to see an entertainment on April 14th differing entirely from the many shows of the past few weeks. The Carnival brings to us a varied program, interesting in its entirety. To the people who like sports and athletics it will afford an opportunity to see not only the old but always new acts, but also a number of very striking and really new features to Mayville. Prof. A. A. Wageley, Messrs. Frank Weston, Ed. Stuard, Louis Nowland, Will Lyon, Louis Clinckbeard of Cincinnati and Covington, men who rank high among gymnasts, have been secured at quite an expense and are sure to please all. Messrs. A. A. Wageley and Weston will give the famous barrel jumping act. Mr. Frank Weston, the champion horizontal bar man of Ohio, assisted by A. A. Wageley and Will Lyon, will do the giant swing, upstart, kickoff and other difficult and dangerous movements on the bar. Five of the artists will interest every one with their tumbling act; and so the entertainment will go from beginning to end.

## THE New Suits!

An instructive showing. If you haven't seen it you have no idea of the strides which have been made in ready-to-wear garments. Every suit has the mark of beauty and style. The tailor made gown is essentially an American production. As we said recently, New York gives lessons to Paris and London in this branch of costuming. This season our designers not only surpassed their rivals, they have surpassed themselves. Allow us to show you—it is no trouble, whether you buy or not. \$8.50 to \$20.

## EMBROIDERIES.

The kind you begin by liking but do not fully appreciate until you have washed them a few times. They're the kind that stand tubing. They don't get stringy and mangy. That's because they are made on a hand machine not rolled off by steam. Nevertheless—
